PoE Switch

SF110P

Key Features

- 8x 10/100 M PoE ports, 2x 10/100M Uplink ports
- Power Budget:
  Total:≤ 65W
  Port 1-4:≤30W
- Compliant with standard 802.3af/at
- support 250m long distance PoE
- Metal Casing
- Plug & Play

Specification

Hardware	
Chipset	IP178G+IP175G
Network Port	8x 10/100 M PoE ports, 2x 10/100M Uplink ports
PoE Standard	802.3af/at
Power Budget	Total:≤ 65W Port 1-4:≤30W
Operating temperature	-10℃~55℃
Operating Humidity	10~90%
LED Indicator	1x Power

PoE Switch

	10x Link/Ack
Performance	
Category	Unmanaged Switch
Switching Capacity	1.6Gbps
Packet Forwarding Rate	1.488Mbps
MAC Table Size	2K
Surge Protection	Common Mode: 4KV Differential Mode: 2 KV
Others	
Power	Input: AC100~240V Output: 52V/1.25A 65W
Material of the casing	Metal
Installation method	Desktop/wall-mount
Dimention	220×162×43.2mm
Weight	0.6kg
